Civil Compl

On the day of 2019 I Thomas Curtis W was assaulted and beaten severely for approx. 5 min. as I crawled on my hands and knees yelling for help trying to escape this vicious attack. He then refused to call the police at the exit of the garden section, only when I yelled "You will call the police" He panicked and called. I suffered a fractured cheek and nose and received a back injection for pain a had 3 months of chiropractic work done.
